Rosie,
I would like to let you know that I just recently had my home restuccoed using Doug Dedrick of Stucco Renovations of Arizona. I found Doug's company on your website. I am writing to let you know how pleased my husband and I were with Doug's professionalism from the day he first came out and spoke to us about restuccoing our home. Doug did everything he said he was going to do from beginning to the end. First he showed up on the date and time he said he would for our initial meeting. He started our job when he said he would and completed it when he said he would. His crew did an excellent job. There was not a detail that was not taken care of. Our home looks brand new, the stucco job was excellent and I will be referring Doug to other folks lookig for a reliable, dependable and professional stucco contractor. So glad you had him on your referral list.
