**Question for Rosie:** Replacing a 26 year old A/C unit when the tech's called me up to the flat roof. 4x8 foot piece of rotted wood under the old unit. I called Durafoam at 8:30 AM. Tim said an estimator will call, & 9AM he was there. Next day they repaired the roof damage! New A/C unit being installed tomorrow.  
I told Tim: " Now I know why you are a Rosie certified contractor. Unbelievable service, top job and complete clean up. I will have them recoat the roof after the A/C project is completed.  
Thank you Rosie, you help so many of us.  
Sincerely, John
