Comments: Wanted you to know....I updated my NE Sctsdale house last fall and used Brian Murrieta, of Aztec Marble and Granite, to re-do the kitchen. Brian gave me great input; his crew pulled up tile counters to replace w/ granite, tiled the drywall under 2 wetbars to match the backsplash, put in 2 new granite composite sinks, and made repairs where necessary. They did an UNBELIEVABLY wonderful job. Every time I walk in the kitchen/great room, I'm thrilled with the room and their work. Thank you, and thanks to Brian and Aztec.
