Question for Rosie

We just want to thank you. Our air conditioner on the second floor went out last Sunday. We had a service agreement with a company. They came out on Monday, looked at our unit & said we could repair the condenser, or buy a new unit with 3 options from \$8,000 to \$11,000. We decided to get a second opinion & looked at your website. We called Intelligent Design on Tuesday & they said they could come out the next day. To our surprise they showed up Tuesday evening, and they fixed it in 2 hours for less than \$90. It has been working fine since then. We just wanted you to know that we really appreciate what you do. Thank you so much!!!
